CREA Energy Innovations Summit
Organized Markets
Tri-State G&T’s Perspective
Tri-State and SPP Footprint
Colorado Import/Export Limits

Colorado Export Summary
Total Capacity 3,210 MW
Non WEIS Capacity 350 MW
Energy Imbalance Market Options

Important Considerations

- Provide Benefits to our Members
- Proven Track Record
- Timing is important – sooner better than later
- Low cost to enter, ability to exit
- Critical that the ability exists to move quickly towards a full market
